EXPRESSION OF INTEREST

Educate and Train 50 Instructors on NVQ Level 5 - National Diploma Course in Information and Cyber Security Technology

IFQ No: CERT/GOSL/CON/CQS/2023/29

In recognition of the critical importance of Information and Cyber Security in today's digitally interconnected world, Sri Lanka CERT is dedicated to strengthening the capabilities of cybersecurity workforce of Sri Lanka. To address the evolving challenges in this field and to meet the demand for highly skilled professionals, Sri Lanka CERT together with Tertiary & Vocational Education Commission (TVEC) has developed the NVQ Level 5 - National Diploma in Information and Cyber Security Technology. This program is designed to equip individuals with the knowledge and skills necessary to safeguard digital assets, mitigate threats, and ensure the confidentiality, integrity, and availability of sensitive information.

To facilitate the effective delivery of this program, Sri Lanka CERT is seeking to engage an experienced and qualified individual consultant. The consultant will be responsible for conducting a comprehensive training program for a group of 50 instructors of Department of Technical Education & Training (DTET), and Vocational Training Authority (VTA) who will play a pivotal role in educating future cybersecurity professionals. This program aims to enhance their knowledge and pedagogical skills, enabling them to deliver the NVQ Level 5 National Diploma Course in Information and Cyber Security Technology effectively.

Sri Lanka CERT wishes to obtain CVs from qualified, experienced and eligible consultants. Individual consultant will be selected according to the government procurement guidelines. The detailed 'Terms of Reference' for the Consultant can be downloaded from "Procurement Tab" of www.cert.gov.lk or www.onlinesafety.lk website.
