Section I. Instructions to Bidders (ITB)

A: General	
1. Scope of Bid	1.1 The Purchaser named in the Bid Data Sheet (BDS) invites you to submit a quotation for the supply of Goods as specified in Section III Schedule of Requirements. Upon receipt of this invitation you are requested to acknowledge the receipt of this invitation and your intention to submit a quotation. The Purchaser may not consider you for inviting quotations in the future, if you failed to acknowledge the receipt of this invitation or not submitting a quotation after expressing the intention as above.
2. Source of Funds	2.1 The purchaser intends to apply a portion of the funds provided by the Government of Sri Lanka (GoSL) to eligible payments under the contract for which these bidding documents are issued.
3. Fraud and corruption	<p>3.1 The attention of the bidders is drawn to the following guidelines of the Procurement Guidelines of Government of Sri Lanka:</p> <ul style="list-style-type: none"> ▪ Parties associated with Procurement Actions, namely, suppliers/contractors and officials shall ensure that they maintain strict confidentiality throughout the process; ▪ Officials shall refrain from receiving any personal gain from any Procurement Action. No gifts or inducement shall be accepted. Suppliers/contractors are liable to be disqualified from the bidding process if found offering any gift or inducement which may have an effect of influencing a decision or impairing the objectivity of an official. <p>3.2 The purchaser requires that, as well as bidders, suppliers, contractors, and consultants, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy,</p> <ol style="list-style-type: none"> (1) “corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution; (2) “fraudulent practice” means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract; (3) “collusive practice” means a scheme or arrangement between two or more bidders, with or without the knowledge of the purchaser, designed to establish bid prices at artificial, noncompetitive levels; and (4) “coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their

	<p>participation in the procurement process or affect the execution of a contract;</p> <p>3.3 If the Purchaser found any unethical practices as stipulated under IFQ Clause 3.2, the Purchaser will reject a bid, if it is found that a Bidder directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question.</p>

E: Evaluation and Comparison of Quotation	
16. Clarifications	<p>16.1 To assist in the examination, evaluation and comparison of the quotations, the Purchaser may, at its discretion, ask any bidder for a clarification of its quotation. Any clarification submitted by a bidder in respect to its quotation which is not in response to a request by the Purchaser shall not be considered.</p> <p>16.2 The Purchaser's request for clarification and the response shall be in writing.</p> <p>16.3 No change in the price or substance of the quotations shall be permitted except to confirm the correction of arithmetical errors discovered by the purchaser in the evaluation of quotation.</p>
17. Responsiveness of Quotations	<p>17.1 The Purchaser will determine the responsiveness of the quotation to the documents based on the contents of the quotation received.</p> <p>17.2 If a quotation is evaluated as not substantially responsive to the documents issued, it may be rejected by the Purchaser.</p>
18. Evaluation of quotation	<p>18.1 The Purchaser shall evaluate each quotation that has been determined, to be substantially responsive.</p> <p>18.2 To evaluate a quotation, the Purchaser may consider the following:</p> <p>(a) The Price as quoted;</p> <p>(b) Price adjustment for correction of arithmetical errors in the following manner;</p> <p>i) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in</p>

	<p>which case the line item total as quoted shall govern and the unit price shall be corrected;</p> <p>ii) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and</p> <p>iii) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.</p> <p>18.3 The Purchaser's evaluation of a quotation may require the consideration of other factors, in addition to the Price quoted if stated in Section II, Bid Data Sheet. These factors may be related to the characteristics, performance, and terms and conditions of purchase of the Goods and bidder's qualifications.</p>
19. Warranty	<p>19.1 The bidder warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.</p> <p>19.2 The bidder further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in the country of final destination.</p> <p>19.3 The comprehensive on site (parts and labour) warranty shall be required for the Goods delivered and accepted at the final destination by the purchaser for the period specified in the BDS.</p>
20. Purchaser's Right to Accept any Quotation, and to Reject any or all Quotations	<p>20.1 The Purchaser reserves the right to accept or reject any quotation, and to annul the process and reject all quotations at any time prior to acceptance, without thereby incurring any liability to bidders.</p>
F: Award of Contract	
21. Acceptance of the Quotation	<p>21.1 The Purchaser will accept the quotation of the bidder whose offer has been determined to be the lowest evaluated bid and is substantially responsive to the documents issued.</p>
22. Purchaser's right to vary quantities at times of award	<p>22.1 At the time the contract is awarded, the purchaser reserves the right to increase or decrease the quantity of goods and related services originally specified in the schedule of requirement, provided this does not exceed the percentages specified in the BDS, and without any change in the unit prices or other terms and conditions of the bid and Bidding Documents.</p>
23. Notification of acceptance	<p>23.1 Prior to the expiration of the period of validity of quotation, the Purchaser will notify the successful bidder, in writing, that its quotation has been accepted.</p>
24. Payment	<p>Payment shall be made to the supplier on completion of supply, delivery and installation of Goods and performance of related services and upon receipt of invoices, delivery notes and warranty certificates along with acceptance certificates issued for Goods supplied and services performed by the purchaser.</p>

25. Liquidated Damages	<p>If the supplier fails to deliver any or all of the Goods by the date(s) of delivery or perform the related services within the period specified, the purchaser may without prejudice to all its other remedies, under the contract, deduct from the contract price as liquidated damages a sum specified of the delivered price of the delayed Goods or unperformed services up to a maximum percentage specified in the Bid Data Sheet.</p>
26. Intellectual Property & Patent Rights	<p>In the event of any claim asserted by a third party of any infringement of copyright, patent, trademark or industrial design rights arising from the use of the Goods or any part thereof in the Purchaser's country, the supplier shall indemnify the purchaser and hold the purchaser harmless and act expeditiously to extinguish such claim. If the supplier fails to comply and the Purchaser is required to pay compensation to a third party resulting from such infringement, the supplier shall be responsible for the compensation including all expenses, court costs and lawyer fees. The Purchaser will give notice to the supplier of such claim, if it is made, without delay.</p> <p>The Supplier shall ensure that all products, especially software, required to be provided under this Contract (referred to in the Technical Specifications) are accompanied by appropriate and genuine licenses (Software License) so as to ensure that the Purchaser is not in breach of Intellectual Property Rights. The Software license granted herein shall permit the said Software referred to herein to be used in all end-user Computers deployed pursuant to this contract.</p> <p>The Software license shall permit the Software to be used or copied for use or transferred to a replacement computer provided the replacement computer falls within approximately the same class of machine and maintains approximately the same number of users, if a multi-user machine.</p>
